Honorable John McMahon
Deputy Director of Central
   Intelligence Agency

Dear Second Banana:

The next meeting of the Secret Society of Anonymous Second Bananas (SSASB) will be at the Department of Commerce on Tuesday night, February 28, at 6:30 p.m., with dinner served at 7:15 p.m. Enter on 15th Street arches nearest to Constitution Avenue and take elevator to 5th floor.

In accordance with our discussion when we were the guests of Dick Lyng at the Department of Agriculture on Thursday, February 2nd, each of us is to prepare a one-page, double-spaced presentation of accomplishments of his (or her) Department, which are the most significant successes of the first three years of the first term of President Reagan and Vice President Bush. These may take the form of policy or management accomplishments by this Administration which are policy responsibilities of your Department. The purpose is to give each of us some specialized insights into the departments we do not serve when we are asked about accomplishments beyond our own specialty.

I would be pleased to have 20 copies of these items in hand by February 22nd so that we might be assured that they are available at our next meeting, which will be at the Commerce Department at 6:30 on February 28th.

Sincerely,

Clarence J. Brown
